The following are notes and reminders resulting from the meeting and subsequent communications:

- Dominic is to call Dana Haverland to discuss involvement by pretreatment coordinators.
- Dominic is to call Joel Peacock to arrange future meetings and discuss exhibitor space at Callaway Gardens.
- We agreed that we would all think of appropriate themes for the industrial conference prior to our next committee meeting.
- It was voiced that we should collaborate with the Georgia Engineering Counsel regarding the conference theme.
- The popularity and possible continuation of an international track was discussed. No consensus was made - this will be discussed again at the September meeting.
- It was voiced that the conference should include some hands on 'practical' workshops, specifically pre-treatment local limits was proffered as a topic.
- Posting of meeting notes on the GAWP website was discussed. Subsequent communication has indicated the industrial committee notes can be posted on the GAWP bulletin board under the industrial group (this will be done for future meeting notes).
- The Industrial Committees mission statement was discussed. No official mission was known, but it was agreed that the primary objective is the planning and coordination of the annual industrial conference.
- In follow-up communication an enquiry was made into whether GAWP has a mentoring program - this will be discussed in the September committee meeting.
- The 2009 Industrial Conference is scheduled as follows:

- o Location Callaway Gardens
- o Dates Conference - Tuesday 17 and Wednesday March 18, 2008

- Session champions will be discussed at September meeting.
