NOTES AND REMINDERS:

- A theme for the Industrial conference was discussed, but no theme has yet to be put forward. The conference theme will be finalized at the October meeting.
- Exhibitor space was discussed at Callaway Gardens. There are no

provisions to expand the exhibition hall. It was agreed that the exhibition space is adequate for the conference.

- It was agreed that the conference would consist of three tracks.
- The possible impact of budgetary constraints for conference attendance was discussed.
- It was clarified that free attendance to pre-treatment coordinators could occur given the solicitation of three paying individuals from their industries. This offer is also extended to contractual pre-treatment coordinators.
- The program will require 12 technical / practical sessions.
- Dena Haverland gave an update on the pretreatment committee and put forward numerous topics and ideas for sessions and papers.
- It was reiterated that the conference should include some hands on 'practical' workshops.
- It was confirmed that meeting notes will be posted on the GAWP bulletin board under the 'Industrial' forum.
